A SOUND MIND IN A SOUND BODY

The ancient Greeks and Romans were the founders of our Western culture. Thermae played an integral part in their lifestyles. It was, and is, vital for physical renewal, and mental regeneration. SANUM™ is a contemporary concept: energy for body and mind, in the form of a personal, ritual experience.

SANUM

HARMONY WITH THE ENVIRONMENT

With character and style, SANUM™ will let you relax and get away from daily stresses. Its design and materials become one with the architectural and natural environment. Flexible and functional accessories transform your garden or terrace into precious surroundings.

WOOD &

THE SOUND | THE FEEL | THE LOOK

STAINLESS STEEL

Weather resistant (tectona grandis) natural teak, combined with high-grade stainless steel, assure SANUM™ a long lifetime. Sound materials combined with a timeless design! SANUM offers the option to enjoy the natural silver-grey look teak takes on overtime or to maintain its warm brown tint by wiping with teak oil. Natural materials in all their simplicity and beauty.
